

How to create a new account on MOODLE e-Learning Platform

- Step 1: Browse to <https://elearning.zambia-ihsms.org.zm>
- Step2: On the Homepage click the **Login** button in the top right-hand corner.
- Step3: On the next Login page click on “**Create new account**” button just below “Is this your first time here?” statement.
- Step4: On the next page fill in the required basic details in the Form and click on the “**Create my new account**” button at the bottom of the Form.
- Step5: If all goes well, browse to your email inbox to confirm your opening of the Account by clicking in the link sent to you from the MOODLE e-Learning platform.
- Step6: You are now ready to begin logging into the e-Learning platform using the very username and password that you have just created.

That's It !!!
